

Recognising and Acting on Signs of Deterioration (RASD)

Survey 3: Manager survey

*All survey questions are distributed immediately **after** the training session for care home managers. Care home managers will have 10 minutes to complete this and hand it back to the trainer.*

Question 1

What do you think your staff gained from the training?

- ☐ I didn't attend the training session.
- ☐ I attended the training session and I think my staff learned:

.....

.....

.....

.....

Question 2

How will you ensure that this training is sustainable? Is there any other strategies that you will deploy other than the examples shown below? Do you have a strategy for how you will train staff that have not been included in the session?

- ☐ Using the provided recording of the training session as a refresher.
- ☐ Displaying the poster as a refresher.
- ☐ Appointing a RESTORE2 training champion in the care home to promote the use of the model.
- ☐ Providing an extra in-person session for staff who couldn't attend the session today

Other sustainability strategies:

.....

.....

.....

.....

.....

Question 3

Are there any gaps in the training? What would you do differently?

- ☐ I didn't attend the training session.
- ☐ I attended the training session and I think the following should be included:

.....

.....

.....

Question 4

Did you find this form of in-person training effective? Is there anything you wish to change about the training session?

- ☐ : Yes I found this form of training session effective.

Things you would like to change about the training:

.....

.....

.....

.....

- ☐ : No I didn't find this form of training effective.

Things you would like to change about the training:

.....

.....

.....

.....
